## SELECTMEN'S NARRATIVE

In 1981 the town of Stoddard went through a lot of changes, both with its leadership and in the community itself.

Within our leadership Charles Eaton left because of commitments and Paul Bouchard was appointed as his replacement. Several months later Nathaniel Ireland left because of his health and former selectman Earle Wesson was appointed as his replacement. And finally, Barbara Knicely stepped down because of personal reasons, and Bruce Cutting was selected to fill the vacancy. This left Stoddard in the unusual situation of ending its year with an entirely different Board of Selectmen than it began with. Yet despite these changes each group has worked together to consider the needs of the town and how their decisions would help the town.

Beginning with the individual departments needed to run the town, the selectmen requested accountability and credibility from each and for the most part received it. In turn the departments were given quarterly financial reports. The selectmen and department heads have worked together to keep the departments within their budgets. In addition a volunteer budget committee was formed to assist with this year's proposed budget. Three people - Vicki Marshall, Phyllis Sawyer, and Bruce Cutting, worked closely with the selectmen and department heads to come up with a line-by-line proposed budget for the coming year. It was felt that a budget committee of enthusiastic, informed townspeople would be able to give the selectmen and department heads input as to what would be needed. Response from everyone was excellent.

Stoddard lost the use of its landfill, previously leased, obvious inconvenience to everyone. A dumpster was set up at the town barn until a centrally located piece of land could be found on which to place a compacter. It was felt that a compacter on town owned property would prove to be a savings over periodic leasing in the long run. We have made numerous offers but have had no response to date.

In trying to bring some of our roads up to grade Shedd Hill was made ready for oiling in the coming year. Juniper Hill was widened and drainage put in. All of the town roads are in poor shape and in desperate need of repair.

Our town equipment is in deplorable shape, barely safe or inspectable. We are fortunate to have Ken Delnero and Randy Naylor to run the equipment and try to keep it running. However, they are not miracle workers. The equipment is now just too obsolete and broken down, a waste of money to continue repairing.

The Fire and Rescue Departments are asking for training and equipment to make their job more efficient. As these people volunteer their time to help the town we feel that their requests are reasonable and in everyone's best interest.

Selectmen come and selectmen go, but the town has been fortunate to have the stability of its other town officers: *Charlotte Pratt*, tax collector; *Joan Read*, town clerk; *Ruth Athearn*, town treasurer; and *Mary Lou Call*, secretary. *Many thanks for jobs well done.*

*Rick Bouchard*  
Selectman

## TOWN WARRANT

**The polls will be opened from 1:00 P.M. to 7:00 P.M.**

To the Inhabitants of the Town of Stoddard in the County of Cheshire in said State, qualified to vote in Town Affairs:

28. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.
29. To see if the Town will vote to participate and support a regional solution to handling solid waste either by agreeing to accept a land-fill site in the town, providing cover material from that town, accepting an alternative operation in the town, or agreeing to whatever aspect of a regional solid waste operation appears to be sensible to serve the region so that a good cooperative regional solution will be a reality and a commitment until 7/1/83.
30. To see if the Town will vote to authorize the Selectmen to sell Lot #60, which is owned by the Town, to Highland Lake Shores Association for the amount of accumulated taxes and interest thereon.
31. To see if the Town will vote to authorize the Selectmen to dispose of the old Town records in a legal manner as prescribed by the State of New Hampshire.
32. To see if the Town will vote to discontinue winter maintenance only on a Class V road on Center Pond from Sawyer's to the end. Section 73 on State Road Map.

33. To see if the Town will vote to rescind the vote whereby the Road Agent is appointed by the Selectmen and to have the Road Agent elected by ballot at regular Town meetings. **BY PETITION**

34. To see if the Town will vote to raise and appropriate \$6056.00 to resurface tar roads and to authorize the Selectmen to withdraw this amount from Revenue Sharing Funds.

35. To see if the Town will vote to have the Selectmen appoint a committee of 5 persons, of which at least one will be a Selectman. This committee will help the Selectmen in making a recommendation to a Special Town Meeting for the purchase of highway maintenance equipment or the contracting-out of highway maintenance service.

36. To transact any other business that may legally come before said meeting.

**Given under our hands and seal, this twenty second day of February, in the year of our Lord nineteen hundred and eighty two.**

### LIBRARIAN'S REPORT 1981

The library was open from 7:00 to 9:00 P. M. Thursdays during 1981. We hope to be open more hours during 1982 so that library service will be more convenient and valuable to the townspeople.

We wish to thank everyone who donated materials during the year. A special thank you is extended to Jane Abert for her donation of the recent reprint of the 1858 Cheshire County Map. A book sale was once again held during Old Home Days and was again a big success.

Remember that the library can borrow books through the State Library if anyone has special requests. We will also deliver materials to anyone who cannot get to the library.

Thank you for a very successful and enjoyable year.

*Alan F. Rumrill*

## STODDARD HISTORICAL SOCIETY

Meetings of the Stoddard Historical Society were held on May 18th, August 17th (the Annual Meeting), and November 16th. In addition to the regular meetings all officers, directors, and committee people met on September 9th, and the directors met as well on October 13th. Mr. Leroy Ludwig, President, has presided at all of these meetings.

At the August 18th meeting Mr. Kenneth Woodbury of Keene gave a most interesting talk on old phonographs -- he had numerous machines and speakers on display as well.

At the November meeting Lucy Hill presented slides of the Stoddard Bicentennial activities; Dawn Matthews showed slides at the May meeting.

The Historical Society building has had considerable renovation this year, including trenching to correct a water-under-the-building situation, jacking up the building, and putting in new footings.

The Historical Society Building and Hearse House were open Sunday afternoons 2 to 4 P. M. through July and August with Harriet Perkins and Frances Rumrill in attendance.

Old Home Days were held from the 10th through 13th of July this year.

Meetings of the Stoddard Historical Society are held the **third Monday of February, May, August, and November** and are open to everyone. Refreshments are served.

## STODDARD FIRE AND RESCUE DEPARTMENT

The Stoddard Fire & Rescue once again took steps to keep up with the changes taking place in our area and the many drastic changes in the methods of fire fighting and rescue work.

With the purchase of special fittings we are now capable of handling large diameter hose. This hose is used to convey a large volume of water from the water source to the fire scene rather than using three or four hose lines of smaller diameter to maintain the same amount of water flow. Through Mutual Aid and the surrounding towns of Antrim and Nelson, we can have large amounts of this hose in a matter of minutes.

We also purchased a 1,000 gal. portable folding tank to be used where hose lay would not be practical. This portable water source had proven to be one of the handiest pieces of equipment we ever had. We can drop the Folda-Tank at the fire scene, fill it with our Tanker and return to the water source without any delay.

As you may have noticed, both the Fire Fighters and the Women's Auxiliary worked extra hard this year on fund raisers, it was a lot of work but was well worth it. Last spring we started with a raffle followed by two Ham & Bean suppers, our annual Chicken Bar-B-Q, a bake sale at Duffy's Market, and finished out the year with a raffle and selling Christmas trees at the station.

The proceeds of these fund raisers were used for a number of things such as equipping, building shelves, completing the body work, painting and lettering of our Rescue Van. With the sharp rise in the number of rescue calls this vehicle is one of our busiest. We also purchased an Ice rescue Suit, perhaps you have seen us in our bright orange suit splashing around in the icy water when the temperature was near zero. Next time you see us, stop, maybe we will let you try it.

This year for the first time we held a Fire Prevention Program for the kids at the Stoddard School. The children were real enthusiastic about the program and they all enjoyed running the pump, handling the hose and just seeing and hearing the fire truck. We plan to repeat this program each year on Fire Prevention Week.

We also held a wood stove seminar with a slide tape program and guest speaker. We were a little disappointed at the turnout but plan to put on another program next fall.

Training has always been an important priority in the Dept. This past year 6 members attended Spring and Fall courses at the Meadowood County Fire School. Joe Sarcione, who has become a State Certified Instructor, has conducted a State Certified Fire Fighters Course for our members as well as three members of the Sullivan Fire Dept. and five from the Marlow Fire Dept.

This year we answered a total of 60 calls: **3 Mutual Aid calls, 4 House Fires, 9 Chimney Fires, 12 Cover Trucks, 1 Smoke Investigation, 3 Auto Accidents, 3 Car Fires, 1 Dump Fire, 18 Rescue Calls, 2 False Alarms, 1 Grass Fire, 1 Lightning Strike, 2 Automatic Tanker Responses.**

We would like to extend special thanks to Mr. & Mrs. Russ Toone for their interest and help in purchasing the Cold Water Rescue Suit. And to Mr. Duffy of Duffy's Market, without whose help our Chicken-Bar-B-Que would have been a disaster. We would also like to thank everyone who donated to the Dept. All these donations are added to the same account as the fund raising money and are used to purchase equipment, repair old equipment and any thing not covered under our operating budget. Therefore these donations are greatly appreciated.

As usual we would like to remind everyone that we provide free chimney cleaning, and cellar and well pumping services to townspeople. Arrangements can be made by calling Chief Don Fleming at **446 - 3987.**

## **FIRE AND RESCUE DEPARTMENT**

### **From the Chief's Desk**

You probably have noticed that the budget I have submitted this year is greater than last years budget, with the inflation rate such as it is this is a bad time to ask for more money. Last year there were a number of things that were needed but just couldn't be done because of the lack of funds.

The Stoddard Fire Department has operated on low budgets for many years which sounds great to the taxpayer but equipment broken, lost or wornout couldn't be replaced. As advanced methods of fire fighting were introduced we couldn't keep up.

Years ago fire fighting was done from outside a burning building using solid stream nozzles and pouring huge quantities of water into a building through windows. Almost always this method caused more damage than the fire itself. Locked doors were smashed open with an axe, ruined beyond repair.

Today that has changed with the invention of fog nozzles breathing equipment, protective clothing that protects from high heat and advanced training Fire Fighters can enter a burning building and attack the seat of the fire, causing little or no water damage and much quicker extinguishment. Forcible entry tools, and techniques cut damage of entry to almost nothing.

Without the protective clothing in good condition and the self contained breathing equipment as well as training this method of fire fighting is impossible due to the poisonous gases given off by the new materials used in building homes and furniture today.

For these reasons I hope, over the next three years to increase the number of air paks from two to a minimum of six and equip all of our members with new protective clothing. We have already gone to great lengths to insure that Stoddard Fire Fighters have received, and will continue to receive the best training possible, now all they need is the best possible protection.

*D. W. Fleming*  
Chief

## TOWN OF STODDARD POLICE REPORT

1981 has been a difficult year for your police Department. Two of your officers were dismissed against our will and judgement. We had to spend as much time fighting personality politics as we did crime.

We apologize to those who may have received cursory service, but as with many things, complaints seem to come in threes, which placed us in the situation of having to prioritise complaints according to seriousness due to lack of manpower.

As usual, crime in Stoddard covered the full gambit of classification with domestic complaints taking a disturbing increase.

We are hopeful of starting 1982 fresh, without complications of politics. We are also hopeful of hiring and training a new officer along with continuing in-service training for your present officers.

As in previous years we will be depending on your support and help to decrease crime in Stoddard and would also like to stress that when you need police assistance, **PLEASE CALL MUTUAL-AID at 352 - 1100.**

We look forward to serving you in the coming year.

*Daniel Adams Eaton*  
Police Chief

### REPORT OF ANIMAL CONTROL OFFICERS

**In 1981 we acted on 35 calls. They were as follows:**

2 Animal abuse	3 Dogs hit by cars
3 Dog Bites	3 Sheep killed by dogs
1 Horse running at large	23 Dogs running at large

This does not include the numerous phone calls from people who have lost their dogs. Many of the phone calls come from people in surrounding towns checking to see if their dog has been picked up.

We only transported four dogs to the Monadnock Humane Society. We are thankful that we have such caring people as the Binghamms at the shelter. They have been most helpful to us in our first year.

The majority of the complaints about dogs running loose were from local people - about local dogs. It is unlawful in the town of Stoddard to allow your dog to run at large at any time of the year.

Three sheep were killed by dogs in Stoddard in 1981. If the dogs had been caught, and the owners identified, the owner's would have had to pay for the sheep. Since they weren't, the Town had to pay for the sheep.

The dog you turn loose for hours at a time may well be either chasing livestock or deer. You are responsible for your animals. Keep them home and under your control.

*Cynthia Bingham,*  
Animal Control Officer

## REPORT OF THE STODDARD PLANNING BOARD

The Stoddard Planning Board meets the first Tuesday of each month at the Town Hall at 7:30 P.M. Members are Art Ude, Chairman; Carl Laurier, Secretary; Francis Rumrill, Treasurer; John Lightbody, Jr.; Harry Power and Jane Abert. Paul Bouchard is the Selectmen's representative. Chairperson Gwendolyn Riesenbers resigned, as did Nathaniel Ireland as the Selectmen's representative.

With the enactment of the ordinance in the 1981 town warrant all subdivisions in the town were suspended for one year so the board would have time to develop a growth management plan. The legality of this ordinance was challenged and is now in the hands of the town's attorney. The board has worked with the Southwest Region Planning commission to develop a land use map and to prepare and finalize a growth management plan. Unfortunately progress has been slow and as of this writing, the plan is still under development. It is the hope of the board that the master plan will be completed in the coming year.

Due to changes made by the New Hampshire General Court in its legislative session the Stoddard Planning Board adopted several changes into its subdivision regulations. A public hearing was provided to solicit the towns response to these changes. The definitions of Abutters, Subdivision and Subdivision Minor were clarified. A change was made to require subdivisions, for building purposes, to have access from and frontage on an approved public street (class I through class V roads). The subdivision application and review process was clarified and expanded to provide a more precise procedure and time frame.

Respectfully submitted,  
*Arthur H. Ude, Chairman*

TOWN OF

STODDARD

NEW HAMPSHIRE

**THE STATE OF NEW HAMPSHIRE  
STODDARD SCHOOL DISTRICT  
SCHOOL WARRANT**

To the inhabitants of the School District of Stoddard qualified to vote in District affairs;

You are hereby notified to meet at the James M. Faulkner Elementary School in said District on the fourth day of March 1982 at seven thirty o'clock in the evening to act upon the following subjects:

1. To choose by non-partisan ballot the following School District officials:
  - A. Moderator for the ensuing year.
  - B. Clerk for the ensuing year.
  - C. Treasurer for the ensuing year.
  - D. One School Board Member for the ensuing 3 years.
  - E. Auditor for the ensuing year.
2. To determine and appoint the salaries of the School Board and fix compensation for any other officers or agents of the District, or to take any other action in relation thereto.
3. To hear the reports of Agents, Auditors and Committees or Officers chosen and pass any vote relating thereto.
4. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries of School District Officials and agents and for the payment of statutory obligations of the District or to take any other action in relation thereto.
5. To see if the District will vote to establish a School Lunch Program as legislated under RSA 189:11a and to raise and appropriate the sum of \$3,000.00 to defray the cost of implementing, equipping and operating the program for the 1982-83 school year, or to take any other action in relation thereto.
6. To see if the District will vote to authorize the School Board to apply for, accept and expend, without further action of the School district meeting, money from any source which becomes available during the fiscal year upon the following conditions:
  - A. The money must be used for the legal purposes for which the School District can appropriate money.

**B.** The School Board must hold a public hearing on the action to be taken.

**C.** It shall not require the expenditure of additional School District funds.

This action is taken pursuant to the authority of RSA 198:20-b, or take any other action in relation thereto.

**7.** To transact any other business that may legally come before said meeting.

### NURSE'S REPORT

During these past years great strides have been made in the prevention of disease in schools, particularly those diseases preventable through immunization.

As of September 1980, the minimum legal requirements at the time of school entry are - diphtheria pertussus tetanus, 4 doses; polio, 4 doses; measles, mumps, rubella, 1 dose of each administered after 12 months of age; and tuberculin test. In May, seven students participated in the immunization clinic at Hillsboro; thus providing Stoddard Elementary children with 100% immunization protection.

The School health curriculum is designed to help the students learn how their bodies function, what affects their bodies, and how to make better health choices throughout life. The topics of nutrition, dental care, personal growth, drugs, safety and prevention of disease were discussed.

The students physical assessment included height and weight measurements, vision and hearing tests, blood pressure, scoliosis screening and a cumulative health record. Parents were notified of results indicating further examination.

## STODDARD P.T.A. REPORT

The Stoddard P.T.A. meetings are scheduled for **7:30 P.M.** on the **second Tuesday of the month**, at the school. Our first meeting of 1981, however, was held in February at the Pitcher Mountain Inn. After a brief business meeting, Bill and Dawn Mathews treated us to a demonstration on quiche preparation. Refreshments that evening were delicious; thank you Bill and Dawn!

In March, as a fundraiser, we sold refreshments at Town Meeting. Our annual Pot Luck Supper was in April. Mary Conklin, who has served the school and P.T.A. for many years, was honored with a Life Membership in N.H.P.T.A. Also in the spring, the Stoddard and Marlow P.T.A.'s played basketball at the town hall. It did help "cabin fever", and we hope to play again this year.

The prizes for Prize Speaking, in May, were provided by the P.T.A. Our two Silent Auctions (replacing the Penny Social), in May and October, were a success as fundraisers.

June was a busy month. We provided refreshments for 4-H Achievement Night, and the end of school picnic at Island Pond Beach. Elections were held in June; all officers were reelected for the coming school year: Leigh Fosberry, Pres.; Bev Power, Vice Pres.; Gloria Pelletier, Secy./Treas. In December, Gloria found it necessary to resign position. Vicki Marshall was appointed to carry her duties. Thank you for your help, Gloria.

During the summer months, the P.T.A. sponsored the Contra Dance and Flea Market during Old Home Days, and the Red Cross swimming lessons. We also held a Surf 'n Turf Raffle.

In October, the P.T.A. provided transportation for the school children to a concert in Munsonville. Many preschoolers attended the P.T.A. sponsored Halloween Party at the school. Parents of preschoolers should call the school in October for information on next year's party.

In late November, the P.T.A. assisted the Stoddard Fire Dept. with their Woodstove Workshop for the townspeople. It was an excellent, informative program, but was sparsely attended.

December is always our busiest month. We work hard preparing for Santa's visit. Santa presented each preschooler and elementary child a gift at the conclusion of the Christmas Program. A special thank you to Santa's helpers Bev Power and Judy Hayes for another year of excellent "groundwork", and to Dean Eaton and Mary Lou Eaton for their unique assistance. The P.T.A.'s Christmas Party this year was exceptional; thank you Vicki Marshall and Debbie Colman.

Information on any of the P.T.A events can be obtained by calling the school during regular hours, or any officer. Our group is not limited to the parents and teachers of our school. We welcome all those who have an interest in the youth of our town.

*Leigh Fosberry*  
P.T.A. President

## SUPERINTENDENT'S ANNUAL MESSAGE

### To the Citizens of the Stoddard School District

This office has been pleased to provide support to Stoddard by providing additional time for Assistant Superintendent, Ralph Minichiello, to work with Stoddards' staff and board.

\* Our Staff Development and Special Education Programs have received highly favorable evaluations from the State's on-site review committees.

\* A Unit-wide review committee awarded Barbara Cutting, one of the 38 awards given in the Unit for outstanding program development, for her implementation of the AIRS Language Arts Program.

\* Barbara Cutting also received a Title IV-C Grant to implement a sequential physical education program (called M 5). The grant for \$3,800 provided extensive training for the teachers and aides, as well as equipment.

\* Through the "Artist in the School" program, the students at the elementary school are being exposed to a variety of art forms. Robert Belle, an environmental education intern from Antioch, has worked with students on a number of studies. Mary Conklin continues to volunteer her time and talents to provide students with additional physical education experiences. Beverly Powers has volunteered her time to provide students with art experiences.

\* We are appreciative of the PTO's continued support of school activities.

\* The Keene School Board has allowed representatives of sending schools to participate on their various committees. This has permitted us to have even more input into the programs at Keene Junior and Senior High School.

\* The members of the Stoddard Fire Department conducted a program for the students during Fire Prevention Week.

Due to the hard work of your three school board members and the continued support of the general public, a fine quality of educational experience is being provided for students in Stoddard. I believe that Stoddard can be proud of its school and its students.

Respectfully submitted,  
*Thomas J. Watman*  
Superintendent of Schools

## STODDARD SCHOOL DISTRICT TEACHER'S REPORT

The educational program stresses Math, Metrics, Health Social Studies, Science, Physical Education, Music and Art. Our Language Arts program has the following components: Reading Comprehension, Grammar, Structural Skills, Phonics, Spelling, Handwriting, Capitalization, Punctuation, Dictation, and Reading for enjoyment. The manner in which the students are taught is varied. Some subjects are taught in small, or grade level groups, while others are done individually and independently. Occasionally, we work in large mixed grade level groups.

Some of the people who have contributed to the success of this school this past year are: Paraprofessional Aides, Lucy Hill and Ann Fritz; Music Teacher, Karen Enright; Volunteer Physical Education Teacher, Mary Conklin; Volunteer Art Teacher, Beverly Power; Custodians, Agnes Yocono and Joan Zelasny; Bus Drivers, Joan Read and Judy Hayes. Many thanks go to the P.T.A. for helping with and funding some of our special programs.

We have continued with some of the traditional programs of the past years. In the Spring, Prize Speaking and the Memorial Day Services were held. We had our "End of the Year Picnic" at Island Pond in June. Since school has started we have had our Annual Halloween Costume Parade and Christmas Program.

In 1981 our special field trip was to Odiorne Point State Park. While there, we studied the tidal pools and life near the ocean. We had an opportunity to visit the Nature Center there and enjoyed a slide presentation by the U.N.H. Marine Program. This fall the older grades visited Munsonville School for a concert.

In cooperation with the Guidance Department at Keene Junior High School, several programs were planned for the sixth graders. These include a slide presentation, questions and answer period, a visit to the Junior High School and a special meeting to acquaint parents with the Junior High School.

Several special programs were held at school. Slide presentations were given by I.Y.F.E. students from Cheshire County Extension Service. We participate in the Classroom Flouride Mouth Rinse Program along with brushing and flossing sponsored by the Bureau of Dental Health, Department of Health and Welfare. Bob Belle, an intern from Anticoh College, worked with the students and they studied trees, solar energy and birds. There was much excitement the day the whole school helped to stuff a Barred Owl. In the spring we had several Folklorists visit us from Vermont and Massachusetts. Everyone enjoyed Contra Dancing with Patti and Dudley Laufman.

A special thanks go to the Stoddard Fire Department. Several members of the department gave up a day of work to visit us during Fire Prevention Week. First, they surprised us with a fire drill, then they spent the entire morning working with the children. We saw films and did fire safety drills under their supervision. The children had an opportunity to see a fire truck and run the fire hoses and the pressure gauges. The children enjoyed this morning and they are certainly more aware of fire safety since that day. Thank you.

It has been a good year at the James M. Faulkner Elementary School. I would like to express my thanks to the parents, P.T.A. and the townspeople for their continued interest and support. We are proud of the education that goes on in our school. Please feel free to come and visit us.

*Barbara K. Cutting*

## STODDARD SCHOOL RECEIVES TITLE IV FUNDS

Sequential Physical Education for the Rural School (M-5) has come to Stoddard. Last February I submitted a Title IV Adaptive/Adoptive Grant. I was notified in April that we would receive \$3,227.31 in federal funds for the 1981-1982 school year.

In August, Carolyn Murphy, the Developer/Demonstrator for the M-5 Project came to Stoddard, to train the staff. We were instructed on pre-testing, implementation of the program and post-testing. Ms. Murphy has also made a Technical Assistance visit to the school in November. At that time she also spoke at a P.T.A. meeting.

Activities in the Sequential Physical Education Program are built around major skill area through the use of a variety of techniques that include specially designed movement activity centers and individual learning activities. The students are pre-tested and put into groups. Twice a week they move around to four movement activity centers spending five minutes at each center. Students are post-tested in the spring.

Other days of the week are spent participating in Movement Motivator Center. At these centers the students work with bean bags, hoops, jump ropes, and a variety of games. In addition, students are encouraged to be self-directed and develop interest through proficiency in worthwhile recreational activities.

I am delighted with M-5. It gives us an opportunity to have physical education without depending on a specialist. The students are enjoying it also. If anyone is interested in seeing or participating in this program, please call me. We encourage visitors.

Project Manager

## STODDARD SCHOOL BOARD REPORT

The school board wishes to thank outgoing member, Mrs. Francis Rumrill, for her many years of service on the board for the Town of Stoddard.

Our new board member, Gordon Garnett, has served as the Stoddard representative to the Special Education Committee. Gordy has attended many meetings and reports regularly to his board the outcome of these meetings, and any pertinent information on Special Ed. that concerns us.

A change took place last summer for all sending towns under the A.R.E.A. agreement with Keene. Prior to June of 1981, A.R.E.A. sending board members who attended the meetings could voice their concerns, etc., but were not involved in any voting. The Keene Board of Education came up with an opportunity for A.R.E.A. sending board representatives to become more involved in matters related to the Senior High School. In July, elections of sending board representatives to the five standing committees of the Keene Board of Education were made. This would be on a trial basis, with the term to end in April of 1982.

Stoddard board chairman, Suzanne Bernier, was nominated and elected to be the A.R.E.A. representative to the Finance Committee. In addition to attendance at the many committee meetings, our board also receives agendas and minutes of meetings of the other standing committees - Communications, Building Facilities, Education and Personnel.

Over the past months I have gained much insight into the expenses for operation of schools in Keene. But in addition to the dollars and cents involved, I have gained a better understanding of what is offered to the children of Stoddard, in comparison to other large city schools in the State of New Hampshire. Being able to see this back-up information and observe how financial matters are handled, helps me accept the figures arrived at for tuition to the Jr. and Sr. High Schools. Even if this A.R.E.A. set-up is not continued in the future, I am thankful for the opportunity to have been involved on the standing committee for Finance.

The Stoddard School Board takes this opportunity to recognize Mrs. Barbara Cutting for being listed under "*Promising Educational Program*" - The Language Arts Program (AIRS) currently in use at the Stoddard School.

Congratulations also go to Mrs. Cutting for the award of the Title IV Physical Education Program grant she wrote and was awarded on behalf of the Stoddard School. The program director from North Carolina has visited the school, worked with teaching staff, students, and even some parents, to get the program off to a great start. We are all very pleased and thank Mrs. Cutting for her efforts to make this addition possible. Barbara has just completed a mini-grant proposal for a piece of equipment for our school. We commend your efforts.

The board welcomes it's new custodian, Joan Zelasny and recognize her work and efforts at school over the past months.

We hope to continue with our landscaping work on the school site. Each year we ask for a small amount to be approved on the budget for upkeep of grounds. In addition to the necessary repairs to the building and grounds as a result of the vandalism in October, we had hoped to do a bit of filling in and seeding of lawn area not covered last year.

The board wishes to thank the new road agent for his efforts in maintenance of the school hill and road.

Respectfully submitted,  
*Susan Bernier, Chairman*  
*Philip Hamilton*  
*Gordon Garnett*
